ABHIVYAKTI

Army Wives Welfare Association (AWWA), an organization that has grown from strength to strength since its inception in 1966 with the guiding principle of "We Care and We Share". It is dedicated to the well-being and holistic development of Army families and Veer Naris. AWWA endeavours to make 'our own' confident, capable and independent.

To tap the immense talent of our multifaceted fraternity, an initiative to organize a Literature Festival was started in the year 2021. 'Abhivyakti' the AWWA Literature Festival is held annually with an aim to foster love for literature and flair for writing in AWWA members. It is a congregation of acclaimed writers, story tellers, journalists, celebrities, influencers and reading enthusiasts under one umbrella. Abhivyakti indeed, has been an enriching experience for the AWWA fraternity to connect with books and ideas, thereby igniting a passion for words in the world around us.

We are ready to enter into folds of Abhivyakti Season-4 being held at Chandimandir under the aegis of Regional AWWA, Western Command. Reverberating with reminiscence of literary hues of previous three seasons, Season-4 promises an enthralling literary journey with the theme "Explore, Express and Experience" wherein, we Explore the rich tapestry of accomplished writers, gain out of thoughts expressed and enrich ourselves from Experience of connoisseurs of literature.

Let's celebrate the essence of literature by delving ourselves into tales of unwavering valour & resilient motherhood, unravelling the mythical legends, rejoice timeless voices of women writers and soak in immense experience of authors to emerge enlightened and soulfully enriched.
